Due to circumstances beyond our control appointment cancellations and station closures may occur. If your appointment is set at a station that has temporarily closed you will be contacted on how to reschedule and whether there is an alternative site with appointments available.

Print or bring this confirmation with you to your appointment along with the required documentation for your service. When you arrive at the Driver Services Center, proceed to one of the check-in kiosks and follow the instructions on the screen to check in for your appointment.
